Why Should I Sponsor The Feed The Flock Gala?

Sponsorship of the Feed The Flock Gala will not only impact lives of the men, women and children who benefit from our programs, but it will strategically align your organization with one of the area's well-known charities. All sponsors and supporters will be showcased throughout the evening to over 300 stakeholders from diverse backgrounds, including community leaders and social groups, local businesses, corporations, and philanthropic families, as well as through pre and post event marketing exposure. Taking part in Feed The Flock is a powerful way for your company to publicly demonstrate your commitment to making a difference to your employees, their families and the community.

The fulfillment of our mission and programs requires a commitment from community partners and supporters. As we look towards the 2024 event, we humbly ask you to consider supporting the mission and vision of The Corner Table through our sponsorship opportunities.
